IACBOX
Internet Access Control

General

Feature	Lite Version	Full Version
Maximum concurrent users / devices	250	unlimited
Available as Software, Hardware, Virtual	✓	✓
Create tickets using web browser	✓	✓
Create tickets using ticket printer	✓	✓
Number of supported ticket printers	2	100
Ticket printer design editor	✓	✓
User (free definable users for conventions or closed user groups)	✓	✓
Multi-Device tickets (concurrent guest login on multiple devices with same login information	✓	✓
System Dashboard	✓	✓
'Remember Me' feature (automatic relogin of already registered devices)	✓	✓
Automatic login using QR-Code	✓	✓
Plug&Play engine (no configuration changes or software installation required on end devices)	✓	✓
Individual billing (billing by time, date, data volume, bandwidth, free per user, …)	✓	✓
Free user sign up, free login	✓	✓
Password only login	✓	✓
Multilingual login page	✓	✓
Predefined terms of use for all available languages	✓	✓
Responsive login page (desktop, tablet, mobile phone)	✓	✓
Low-level changes of login page for experts (local Login API)	✓	✓
Login Page Editor (login page design via Drag'n'Drop editor)	✓	✓
Walled Garden (free available websites for all)	✓	✓
Dynamic bandwidth management per user	✓	✓
IPv6 support	✓	✓

Static & dynamic autologin devices	✓	✓
Management LAN support	✓	✓
Custom guest redirection URL before and after login	✓	✓
Planed redirect (planed logout with redirection to survey or websites)	✓	✓
Bulk ticket creation	-	✓
Guaranteed bandwidth per user	-	✓
Different billing and welcome page per VLAN	-	✓
Routing within Surf LAN	-	✓
Custom Plug&Play settings (ignored devices, DNS bypass, DNS redirect)	-	✓
SMTP server, SMTP proxy (relayhost / authentication)	-	✓
NTP server	-	✓
Advanced DHCP settings	-	✓
WebAdmin user groups (group permissions)	-	✓

Features, Modules & Interfaces

Features	Lite Version	Full Version
Social Login Interface (login using Facebook, Google, Microsoft, Twitter, LinkedIn accounts)	✓	✓
Central Services (centralized management of distributed systems)	optional	optional
Privacy Toolkit (GDPR)	optional	optional
